

FAMILY STEPS

An Intensive Family Weekend Retreat
At Bethel Bible Village

Family Steps is a Christ-centered intensive weekend retreat for families with children and teens who are struggling through difficult challenges. This retreat is open to traditional families, as well as grandfamilies, relative caregivers, blended families and adoptive families. Children are included in the weekend activities.

Family Steps teaches valuable communication and relationship skills and spiritual truths to help everyone in the family work through areas of conflict. Your family will learn how to find greater peace and harmony in relationships by starting with a solid foundation of Jesus Christ. The weekend also provides a refreshing break from the daily challenges that can disrupt family life.

Families arrive Friday evening for a weekend of focused workshops and activities led by masters level professionals. The facilitators are a Christian married couple with years of experience working with families in a Christian setting. The retreat ends on Sunday afternoon.

The cost is \$600 per family and includes lodging, meals, towels and linens, materials, workshops and activities. Some need-based financial aid may be available for qualified families. Questions? Call us at (423) 842-5757.

It's easy to apply online. Go to bethelbiblevillage.org/familysteps or scan this QR code with your mobile phone.

Objectives

- Define and develop family structure, boundaries, and positive discipline.
- Build strong family communications and relationships.
- Equip families with tools to address individual needs.
- Increase Christian spiritual development as a family.

Strategies

- Use breakout sessions and family sessions designed to develop family structure and boundaries in a safe structured setting.
- Host family sessions and structured activities to refresh and build relationships, trust and communication.
- Hold individualized sessions that address the specific needs identified by the family.
- Use a Christian-based curriculum, prayer, devotion and family church service to promote family spiritual growth.

VISION

We envision all families healed and restored by the redemptive power of Jesus Christ.

MISSION

To transform families by equipping parents to provide safe, structured, loving Christ-centered homes and imparting knowledge and skills to children and youth through intensive family weekend retreats, parent education, modeling children and youth skill-building and coaching.
